Dear Chairwoman Granger and Ranking Member DeLauro,

I am requesting funding for Lovett Street and Carrell Street Road and Drainage Improvements in fiscal year 2024. The entity to receive funding for this project is the City of Tomball, located at 401 Market Street, Tomball, Texas 77375. The funding would be used to replace an existing open ditch drainage system with storm sewer pipe along Lovett Street and Carrell Street in Tomball. The project is an appropriate use of taxpayer funds because it will alleviate flood risk and drainage issues for approximately 900 residents, including seniors living on fixed incomes.

The project has a Federal nexus because the funding provided is for purposes authorized by 42 U.S.C. 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

Wesley P. Hunt
Member of Congress
